DIRECTOR'S MESSAGE

Dear Esteemed Clients,

It is with great pleasure that I welcome you to Elemi Electrical. We are a leading electrical engineering company based in Tanzania, providing a wide range of services in power infrastructure, MV & LV lines construction, solar power systems installations and general supply among other things. Our team of experts is dedicated to providing you with the best solutions for your electrical needs.

At Elemi Electrical, we pride ourselves on our commitment to quality, safety, and customer satisfaction. We believe that our success is measured by the success of our clients, and we are committed to working closely with you to ensure that your projects are completed on time, within budget, and to your satisfaction.

We are passionate about what we do, and we are committed to providing you with the highest level of service and expertise. We look forward to working with you and helping you achieve your goals.

Sincerely,

A stylized, handwritten signature in black ink, appearing to read 'Baraka M. Mwakitwange'.

Certificate of Completion/ Recommendation

16th September 2023,

RECOMMENDATION LETTER.

To whom it may concern,

I am pleased to be able to provide a recommendation for **Elemi Electrical Company Limited**, when our company decided to find subcontractors to perform the Electric Power Distribution Works, we interviewed a number of Electrical contracting firms. We chose **Elemi Electrical Company Limited** because the firm came highly recommended, and we were very impressed with their proposal, pricing, and responsive service.

I have absolutely no regrets about our decision to work with **Elemi Electrical Company Limited**. They were able to stay on pace with the project timeline within the approved budget. They kept us informed throughout the project so that we were never left wondering if things were progressing as they should. The quality of their work is impeccable, we could not be more pleased with the finished structure.

Our team will not hesitate to work with **Elemi Electrical Company Limited** in the future whenever we have additional construction or renovation needs. If you're looking for an Electrical construction firm including construction of Medium Voltage (MV) and Low Voltage (LV) Lines, Transformer Installations, and all customer's connections, that provides quality work and exhibits integrity throughout all aspects of operations, you won't be disappointed if you choose **Elemi Electrical Company Limited**. I recommend the firm without hesitation.

If you would like to further discuss my company's experience with **Elemi Electrical Company Limited**, I will be happy to speak with you. Just call me at [0758905770]. Best wishes for a successful construction project.

Much Regards,

Eng. Mohamed Ibrahim,

Certificate of Completion/ Recommendation

中国土木工程集团有限公司
CHINA CIVIL ENGINEERING CONSTRUCTION CORPORATION LIMITED

中国铁建股份有限公司
CHINA RAILWAY CONSTRUCTION CORPORATION LIMITED

20th APRIL 2024.

To Whom It May Concern,

I am writing to recommend **Elemi Electrical Company Limited** for their good Supplying and construction services with future prospective clients. I have had the pleasure of working directly with **Elemi Electrical Company Limited** for the projects in the past and most recently at the Mwanza town. The scope of work for Current project involves the PERMANENT RELOCATION OF MV & LV ELECTRICAL CABLES LOCATED AT KM 363+900 TO KM 365+100 with Contract No. CCECC-SGR5-ELEMI-SUB-070.

Elemi Electrical Company Limited has illustrated their attention to detail, quality and safety on a number of occasions. It is the policy of this company (**CHINA CIVIL ENGINEERING CONSTRUCTION CORPORATION**) to strive for the highest safety standards. Working safely requires a serious commitment by everyone within the organization including our subcontractors, So **Elemi Electrical Company Limited** has met and exceeded our safety program.

Scheduling within the construction industry is typically an art form in itself and **Elemi Electrical Company Limited** has been able to effectively meet project schedule requirements. The whole crew of **Elemi Electrical Company Limited** have been able to quickly adapt to schedule changes from our programs in order to keep his schedule on time and aligned with the overall project schedule. In addition, Always **Elemi Electrical Company Limited** has been exceptionally in the works of Electrical Supplying and Installations.

Please consider **Elemi Electrical Company Limited** for your Electrical Supplying and construction service needs. I recommend them and look forward to working with them again.

Yours sincerely,

Lu Haiqiang

Policies

QUALITY ASSURANCE POLICY

Quality is at the heart of the Elemi Electrical Co. Ltd. The Company is determined to maintain the highest standard of performance. An internal quality assurance and control mechanism is in place to ensure that any work undertaken is completed within the expectation and satisfaction of the client and that there is value for money for the contracted work.

SAFETY, HEALTH AND ENVIRONMENT POLICY

The Company recognizes the value of all its employees. It is determined to maintain their good and safe working environment in accordance with the existing Occupational Safety and Health Legislation.

We undertake to ensure Safe Work Procedures. We are determined to ensure that risks and hazards are eliminated as much as possible in order to ensure the safety of our employees and anybody around the work area. We are ready to adhere to any special safety regulations and standards that may be required by clients. We provide all the required personal protection equipment (PPE) to our crews unless specialized clothing or equipment is required by the client in which case the client will provide what is necessary. All employees are expected to pass annual medical examinations to ensure compliance with Health and Safety Act or client's requirements.

THE UNITED REPUBLIC OF TANZANIA
MINISTRY OF MINERALS
THE MINING COMMISSION

In reply, please quote:
Ref. No. BA 218/238/01/68

09th April, 2026

Managing Director,
Elemi Electrical Company Limited,
P.O. Box 2165,
MWANZA.

**Re: APPROVAL OF THE LOCAL CONTENT PLAN FOR ELEMI ELECTRICAL
COMPANY LIMITED**

Kindly refer to the above-captioned subject.

2. The Mining Commission is pleased to inform you that your Local Content Plan submitted to the Mining Commission for Contractor Services to the Mineral right holders has been **approved** by the 30th meeting of the Local Content Committee held on 09th April, 2026. The approval has been granted as per Regulation 11(5) of the Mining (Local Content) Regulations, 2018.
3. Please be informed that the approved Local Content Plan is operative only for the period of one year from the date of this approval. In this regard you will be required to submit another annual Local Content Plan not later than 09th April, 2027. During this period, you will also be required to submit to the Mining Commission quarterly reports in respect to the performance of the local content plan.
4. Furthermore, in accordance to Regulation 37 of the Mining (Local Content) Regulations, 2018, you are required within sixty (60) days of the beginning of each year to submit to the Mining Commission an annual Local Content Performance Report covering the period from when your Local Content Plan was approved.
5. It is our hope that you will implement the plan effectively while taking into consideration all other requirements of Section 133 of the Mining Act Cap 123 and its Mining (Local Content) Regulations, 2018 as amended.
6. You are also reminded that non-compliance to Local Content Regulations will subject you to penalties as stipulated under these Regulations.
7. Thank you for your continued cooperation.
